

The Power of the Wilderness

Round Table Class Dec. 4, 11 & 18
Sundays 9-10 in Fellowship Hall

Join John Connolly for a three-part presentation/discussion on the Lakota Sioux Indians of South Dakota. Gain an understanding, both historically and presently, of their:

1. tribal/political culture
2. family/extended family (tiospeye)/daily life
3. spiritual beliefs

Reflect on your own inward journey to find the meaning of life. Open your heart to listen for God to speak to you through a different culture, one marginalized over the last century or so.

Perhaps you will respond as Jesus does, by walking in the dirt together.
